| Dosage Form         | 注射剂   | Strength           | S. Carl 200107 M |         |
| 有效期至<br>Valid until | 2020年1月22日  | 批量/进口量<br>Quantity | 66299淮           |         |

经审查,上述制品符合生物制品批签发的有关规定,判定合格。

The product mentioned above complies with the previsions for the release of biological products and has been approved for release.

本证明系基于对企业申报的制品批制造及检验记录摘要的审查和实验室检定(蛋白质含量, 抗-HBs效价, 无菌检查, 异常毒性检查, 热原检查) 而签发。

This certificate is based on examination of summary manufacturing protocol and laboratory test(Protein content, Anti-HBs potency, Sterility, Abnormal toxicity, Pyrogen).
